NUTS INVESTIGATION!

Why Britain loves dancing dogs!

Everyone hearts a hot-hoofing hound!

ON BGT!

If Britain's Got Talent has taught us anything – and we like to think it has taught us a lot – then it's this: the people of Britain simply love dogs that can dance! The new series is awash with terriers that can twist, pugs that can pogo and border collies that breakdance. Well, maybe not that last one but you get our point. So anyway, we were wondering – could we use the magic of a dancing dog to impress a lady? Our two office mutts, Fido and Legshagger, hit the streets with their dancing paws on, to find out!

Becks: 'I'd love to be back in the England frame!'

David Beckham on Capello, the Olympics and wearing an England shirt!

Hi Becks! How is the MLS season going so far? We're only a handful of games in and we've been unlucky with a couple of draws but I think we're in a good place. We're playing well, the lads are confident and we're looking forward to every match. Personally, I'm enjoying myself. You're about to hit your 36th birthday. How are the old legs standing up? They're great,

thanks! I feel fitter than ever. Of course, I'm not getting any younger and I can't run around all day like I used to, but with my experience I know when to make the runs and when to sit. And let's be honest, I was never that fast anyway!

With you being in the final year of your contract with LA Galaxy, what does next season hold for you? Will you maybe retire from football? I love playing football, I always have. I still have the same enthusiasm for the game as I did when I was 18 and even when I was England captain, so I don't want to give it up until I'm absolutely sure it's the right thing to do. I still think I'm contributing so I can only really see where I am at the end of the season and then make a decision.

So it's a possibility you could carry on playing? Yeah. I don't fear retirement but I'm not exactly desperate to retire. The game has been good to me and I'd like to carry on if it's right for me, my family and whatever team I play for.

You've spoken about playing at the Olympics in 2012. You'll be 37 by then... It's something I'd definitely like to do. The Olympics is an incredible event that touches so many people around the world. Who wouldn't want to be involved in something like that? But I can't look too far forward because

football has a habit of changing whatever you plan. I know that from personal experience! I'll just concentrate on this year, stay fit and help Galaxy with their matches.

Could we see David Beckham back in an England shirt? I don't know. I miss playing for England. The proudest moments in my career came in an England shirt so I'd love to be back in the frame. I don't think age comes into it. If I'm playing

"My proudest moments have been in an England shirt"

well enough, the manager says he will pick me. If England go in another direction and are successful, I'll be happy too.

So what about the future of England? What do you make of the new faces coming through like Andy Carroll, Ashley Young and Joe Hart? It all looks really promising and the main thing for me is that you've still got quality experienced players like Terry, Ferdinand and Gerrard giving the squad a good balance. You want an environment where new players can come in and immediately feel at ease. I think the manager has created that. The future looks bright for us.

You mentioned the manager. A lot of football fans have fallen out of love with Fabio Capello...

I can understand why people were so disappointed after the World Cup. I was, personally, because I'm an England fan first and foremost. But honestly, I don't think the manager could have done anything else. The players just didn't perform. We've got a world-class manager - his record shows that - and we're lucky to have him. The way he's regrouped the players and had a great qualification campaign shows his qualities. We should get behind the manager and team and try and make a real mark in the European Championships.

Can England win the Euros? Of course we can. We have to be positive without getting too drawn into the hype that always surrounds England. We've got the players, new and old, who are good enough and we've got the right manager. Let's qualify first and then set our ambitions high when we get to Euro 2012.

Fancy an England swansong at Euro 2012? As long as I'm playing football, I'm always available for England. That never changes, but it's up to the manager. If I don't play and we do well I'll be delighted. I'm a proud Englishman and I want my country to succeed. That's more important than any one player's ambitions!

"Don't worry Fab, I still love you"

Say what you like about Beckham (his legs have gone! He's got silly hair! His voice is squeaky!) but you have to admit the man's got a sense of humour. Witness Easter Sunday round the Beckhams' in Los Angeles, as Becks donned a presumably horrifically sweaty bunny costume to hide Easter Eggs round the grounds. Then relaxed with a glass of champers and allowed his missus to post the evidence on Twitter for anyone to gawp at. See! He's just like us! (Plus the multi-millionaire lifestyle, obviously. And prodigious talent. And hot missus...)

It's very rare that you see a genuine Hollywood star sauntering up a beach with her boobs out, looking like she hasn't a care in the world.

So we did a genuine comedy eye-rub (with squeegee sound effects) when these snaps landed on our desk - *Superman Returns* star Kate Bosworth on holiday in Mexico, frolicking in the surf, as topless as a cherub!

The actress was enjoying a holiday in Cancun, Mexico, with her chums and thought nothing of discarding her bikini top for that all-over tan. And yet, much like Superman, we bet you can't talk her out of those pesky underpants!

HANG MEN!

A quick word with Steve and Reece

Hi Steve and Reece!

Do you like talking about *Psychoville*?

Steve: Not really! We'd ideally do no publicity and the programme would just come on. The great thing about *Psychoville* is all the twist and turns – talking about it spoils it! But we realise you can't publicise a show like this and not reveal the characters.

Does series two follow on directly from series one and the Halloween special?

Reece: You can just begin watching this series as it's its own story. It might take you a minute to work out who everyone is, but you'd soon get on top of it.

Will there be a series three?

Steve: It's challenging to write because it's so plot driven, but it's exactly the sort of programme we'd love to watch. We hope the premise is strong enough to do a whole different storyline in series three.

"Soooo, Meester Bond..."

GRACE ANDREWS

(Imelda Staunton)

Steve: "Grace's very powerful and wants the locket. And she also wants to be Judi Dench in James Bond."

JEREMY GOODE

(Reece Shearsmith)

Reece: "A librarian obsessed with an unreturned book, Jeremy goes to rather extreme lengths to get it back..."

DETECTIVE FINNEY

(Mark Bonnar)

Steve: "His questions link the characters, but he's got his own agenda." **Reece:** "He's pursuing the locket [a key artefact]."

"Is he thinking the same thing as me?"

Porsche's maddest ever 911 racer!

The new Porsche GT3 RS 4.0 is practically a race car with a tax disc!

- Say hello to the forthcoming GT3 RS 4.0 – a 911 that's more powerful than the race car it's based on!
- That's 45bhp more powerful, to be precise. Porsche's official race version – the GT3 RSR – bench-presses the circuits with 455bhp. This 500bhp road car is based upon that race weapon, with a similar 4.0-litre engine. No turbos and no superchargers, just less flab, zero creature comforts and the ability to rev past 8,500rpm!
- Sources say that the GT3 RS 4.0 will be a strictly limited edition, with no more than 500 leaving the Stuttgart factory. Featuring an exclusive white paint finish with grey and red graphics, it'll be the last version of the 997 before Porsche wheel out the all-new 911.
- Besides decals, the GT3 RS 4.0 will be identified by key design tweaks – an aerodynamic nose job where the bumper boasts small turning vanes on either side of the car, a huge GT race car-style rear wing and carbon fibre bonnet and boot panels, together with riveted RSR-style widened arches.
- Comfort's not exactly a major consideration. Just like all RS models, this GT3 RS 4.0 gets a full roll cage, no radio, satnav or air-con. Suspension is set for track attacking – not Waitrose.
- Keeping it as light as possible, the thin seats are clothed in Alcantara and leather.
- It's on sale next month and likely to retail at £130,000 – £25,000 more than the existing GT3 RS. It may not have turbos, 4WD or a flappy paddle gearbox, but that's what makes the GT3 RS so raw and sensitive.
- We didn't think Porsche could possibly make the GT3 RS any faster, harder or meaner. But with a 0-62mph time of 3.9 seconds and hitting 200mph+ top end, our words have been well and truly swallowed!

Wii 2 rumour mill!

The Wii 2's coming. But what will be inside?

Anouncing an announcement's always great hijinks. Like last week's Nintendo news bomb that they'll be unveiling their new Wii console at June's E3 games expo. But what will the Wii 2 look like? How will it work? What the hell does Mario think? Here's a handy guide to the better rumours doing the rounds. Sounds dead exciting to us!

PROOF!

CONSOLE!

- It'll look like this! Actually, it probably won't. But this mock-up popped up on that interweb a week before the announcement and conspiracy theorists reckon the pics were part of Nintendo's presentation to games developers.

- It'll be out in 2012! In Japan, at least – just in time for the Easter holidays. So the West will probably follow at the end of the summer. Or when Nintendo can be bothered.
- It'll be in HD! Six years after the Xbox 360 introduced high-def gaming, Nintendo finally jumps on the bandwagon. It'll have to improve on the PS3 – otherwise, what's the point?
- It'll sense your heartbeat! Nintendo announced a heartbeat-tracking sensor in 2009 but it quickly went away. The Wii 2 should finally boast games that react to your heart rate!
- It's called the Nintendo Stream! Maybe... or maybe not. But that could point to a) streaming games via Wi-Fi to connected TVs around the house, or b) streaming games wirelessly direct from the internet.
- It'll support 3D! But not specs-free like the 3DS. The graphical crunch means conventional 3D will be a doddle, but low uptake of 3D TVs means this won't be a priority for Nintendo.
- It's got other stuff! The system will be based on a revamped version of AMD's R700 GPU architecture. The system's CPU will be a custom-built triple-core IBM PowerPC chipset, but the clocking speeds will be faster than the similar Xbox 360. Which means it'll be dead fast!

CONTROLLER!

- The controller will house a 6in, high-resolution touchscreen that'll communicate with the console via Wi-Fi! They won't look exactly like this, but it gives you some idea!

JIM JEFFERIES!

GOES NUTS!

It's the most offensive column on Earth!

"Are we really surprised that 80-year-olds can't get erections?"

Jor dropping

Good news! Katie Price or Jordan or whatever the f**k we're supposed to call her these days survived a nasty car crash in Argentina last week when she hit and killed two horses. Katie was said to be distraught about this. Well, it's always hard to lose family, isn't it? But at least she came out of it unharmed – I don't think you can get brain damage twice anyway – and she's also promised that that's the last time she's going to try to give Harvey a driving lesson.

A hard thing to discuss

Some stats have come out this week that say 89 per cent of men over the age of 80 can't get an erection – which, by my reckoning, means the other 11 per cent obviously know how to use the internet! But, hey, are we really surprised that 80-year-olds can't get erections? I mean, they're f**king other 80-year-olds! I'm a young, healthy man, and if an 80-year-old woman made me pop a boner, even I'd think there was something f**kin' wrong with me!

Take fat

Now this is interesting. Doctors have found out that being fat is contagious. Yeah! They believe that when we see a fat

person, it makes us want to eat more. Well, I'm no expert, but haven't we just solved a massive problem in Africa? Why don't we just send a load of our super-fatties down there to help get these poor people's weight up? It's a total win-win situation, too – 'cos if our fatties then got Aids their weight would just plummet!

With apologies to the good people of Milton Keynes

Did you read about the man who'd been found living in a public toilet in Milton Keynes for the past three months? Apparently, he was even putting

towels across the bottom of the door so people couldn't see his feet. People were outraged, though I don't see why. I've been to Milton Keynes and as far

as I can tell the rest of the population have been living in a toilet for years!

A hot topic

I read another report in the news, this time saying that a lot of Christians, including the Archbishop Of Canterbury, for f**k's sake, don't believe in global warming. On a list of things that Christians don't believe in, this is actually pretty low down in the grand scheme of things. After all, think of the other stuff some Christians don't believe in – rational thought, science, not touching up kids...

And finally...

Sorry about that Milton Keynes joke earlier, but seriously, the place really is a f**king sh*thole.

Leg mangled in motorbiking misery!

RIPPED OPEN!

"Excuse me, this kebab's a little on the rare side"

It doesn't take a top psychologist to work out the attraction of motorbikes. The speed-frenzied adrenaline-pump, the wind in your hair, and the freedom of the open road. But the joy of two wheels can come at a price, and Michael Greer, 20, from Stockport paid a hefty one.

"A car turned into my path and trapped my leg," Michael tells *Nuts*. "The leg broke in two places and muscle and skin were ripped off my calf."

"To treat it, I had a vein graft, a metal pin put inside my tibia, and a muscle was transplanted from my back onto my leg."

Thankfully, it worked. "The good news is that I'm now walking around again, and I'll soon be on the lookout for another motorbike. You can't keep a biker down for long!"

JOKE OF THE WEEK!

I was in a restaurant yesterday when I suddenly realised that I desperately needed to pass wind. The music was really, really loud, so I timed my fart with the beat of the music.

After a couple of songs, I finished my coffee and noticed that everybody was staring at me.

Then I suddenly remembered that I was listening to my iPod.

Age concern

A woman walks up to an old man on his porch.

"You look so completely happy," she said. "What's your secret for a long, happy life?"

He replied, "I smoke three packs of cigarettes and drink a case of beer a day, eat fatty foods, and never, ever exercise."

"Wow, that's amazing! How old are you?"

"Twenty-six."

Bargain breasts

The supermarket advertised it had a sale on boneless chicken breasts so I went down there to stock up.

However, at the store, I was disappointed to find only a few skimpy pre-packaged poultry portions, so I complained to the butcher lady.

"Don't worry," she said, "I'll pack some more trays and have them ready for you by the time you finish shopping."

Several aisles later, I heard the lady butcher's voice boom over the public-address system...

"Will the gentleman who wanted bigger breasts please meet me at the back of the store."

My parents recently retired. Mum always wanted to learn to play the piano, so dad bought her one for her birthday.

A few weeks later, I asked how she was doing with it.

I asked him why, and he said, "Because with a trumpet, she can't sing."

She's rough!

My girlfriend likes going on top and riding me so hard that it hurts. Is there any way I can make the experience a little less painful for me but keep her happy at the same time?

Henry, Hertfordshire

Oh no! If it's painful you're in danger of damaging something you really don't want to damage! Maybe try a different position where you're more in control. Personally, I like doggy style and you can do that hard, too!

Should I hit the kitchen?

My mate says that ladies like a bloke who can cook, so I'm thinking of taking classes. Is he right or just pulling my leg?

Nathan, Bedford

Your mate's right! Us girls love a bloke who can whip up a nice meal, but you don't need to take classes, just ask your mum to teach you a few dishes! Why waste that money when you could be lavishing it on a lady?

Why does she close her eyes?

My girlfriend closes her eyes when she gives me oral pleasure – is this a bad sign?

No, not at all! She's probably just enjoying it – you'll know if she doesn't like it, believe me, because she won't do it! Just make sure that you're giving as well as getting!

IT'S ROSIE!

Deep breath, chaps - we've got an all-new exclusive shoot!

We may have crowned Lucy Pinder the Queen Of Boobs just last week, but in our hearts she has an equally booby rival - step forward Rosie Olivia Jones, the Princess Of Boobs, if you will! All hail the Rosie!

Hi Rosie! What have you been doing recently? I went on holiday to Egypt with Stacey Massey, Emma Glover and India Reynolds - but we haven't got any pictures you can use this time, sorry! I've been working quite a lot lately, but we're ➔

ROSIE JONES

A full-page photograph of Rosie Jones. She has long, dark, wavy hair and is looking slightly to the right. She is wearing a light blue, long-sleeved button-down shirt that is open, revealing her chest and midriff. Her hands are at the bottom of the frame, holding the hem of the shirt.

ROSIE JONES

“I stripped off
by the pool
in Egypt!”

having a whole party weekend for my best friend's birthday. I'm going to get about 15 out of ten for drunkenness!

How will you get through this terrible summer of no footy?

Oh my god – I think I'll die! Nah, I'll cope. It doesn't really bother me, to be honest. I'll go to the pub and watch cricket instead.

What aspect of the summer are you most excited about?

Sunbathing and going to Thorpe Park! And I've got a dog now, so I'll be taking him for loads of walks. He's naughty sometimes but he's really cute.

What makes you happy at the moment? Jessie J! I like her videos. She's cool.

If you went on *Britain's Got Talent*, what would your talent be? I could do karaoke and stupid dancing! It wouldn't be good, but it'd be entertaining. And if it was going wrong, I'd whip my top off to get the crowd back on my side!

What's the rudest thing you've been up to recently? In Egypt, the hotel was empty – we were the only people there – so we thought it'd be OK to strip off by the pool. Then this man came up to us with this sign saying, "No nudity!" He couldn't speak English, so he just pointed at it!

What's an average day for Rosie Jones? Every day's different. Some days it's photo shoots or filming, and some days I'm made to do stupid things like wear a burkini on the beach!

What kind of music are you listening to at the moment? I've just got an iPhone but I haven't updated my iTunes since I was, like, 12 or something! I've got all my old-school songs on it, which makes me happy. Backstreet Boys, Spice Girls, So Solid Crew... and a bit of Luther Vandross – I don't know why I liked him when I was younger – and Mariah. I'm so not cool!

What's the wildest night out you've had recently? I always say to myself, "I've been really good lately so I'm allowed to get really drunk tonight." And then I remember I was really drunk the night before! I'm a really happy drunk, I love everyone and just sing to myself. I'll sing to you if you get close enough! ■

"No smoking? Who's
gonna stop me? You?"

**"Don't get
funny! I'll
'ave you!"**

RAY WINSTON

The East End legend on accents, traitors and underpants!

Hi Ray! In your new film, *Tracker*, you play a South African bounty hunter. Did you model your accent on anyone? Not in particular. South Africans tend to be the bad guys. They talk like this [does aggressive accent], "You're so f**king..." You go, "Whoah, slow up a bit!" I had a great teacher, so my accent became something smoother, to show he's someone who's lost his soul in a way. It's set in 1903 New Zealand – what's it really like there? There's the North, which is the tropics, the North East Coast has crashing waves, then you come south and it's like the Lake District. It's God's country. If a bounty was placed on your head, how would you survive? F**k me! That's a question, isn't it? I dunno. Find them first. The best form of defence is attack. You're in a remake of *The Sweeney* with Plan B next. What do you make of him? Ben Drew is a blinding actor, and he looks like he can kick a door down! We've got to wait for him to finish editing his own film, so we're shooting in November. I'm happy to wait.

Did you really turn down a part in *The Wire*? Yeah. Years ago. I turned it down because my girls were at school and it'd have been seven months in Baltimore. It's a fantastic show so I'd have brought it down a notch! But no regrets – kids come first. Your daughter Jaime is famous now, too. Do you run scripts past her so she can help choose the best parts? No. She's just produced her own film in Wales, *Elfie Hopkins And The Gammons*, and I've done a couple of days for her. Did she make you audition? She wouldn't dare! I'd kill her. Or write her out of the will. Ha! What do you miss most when you're in America? The green fields, the rain, the seasons. Putting on an overcoat. There's nothing better than getting off the plane, the rain and the wind hitting you in the face and you go, "Welcome home!" Have you got some good British mates to go for a drink with in the States? Yeah, loads. Vinnie [Jones]. Little Tamer [Hassan]. Little Max [Beesley]. The Yanks as well – good as gold, always make you welcome. I can't think of anywhere better to work. How much would we make if we followed you around for the day with a swear box? I'd be skint! Ha-ha! I don't really swear that often. Well, I don't notice it but I expect I do. It's part of the English language, isn't it? West Ham. Up or down? I'd hate to see Blackpool go down because they've been an inspiration this year. It looked

like all the Ws at one point – Wolves, West Brom, Wigan, West Ham. [Roy] Hodgson's done a good job at Brom. Birmingham are looking shaky. Have you turned any of your Hollywood pals onto the Hammers? Nah. Why would I? All they know is [does American accent] "soccer". In the old onion bag, you know? I got into the Red Sox when I was in Boston, but American football and basketball aren't really for me. Do bet365 let you put on free bets for doing their adverts? They probably would! I have a bet when I go to the races. I've phoned 365 up a couple of times and had a bet. Got any tips for us? I have some good 'uns. I'll tell you after. I don't want everyone to know! We'll all end up getting nicked! In *Indiana Jones And The Kingdom Of The Crystal Skull*, you double-cross Indy. Why should we believe anything you say? Oi! Originally I was just a traitor but I said, "No, he's an old mate, he's just trying to earn a living, so he's a triple agent." I think I confused Steven [Spielberg] so much I got away with it! Are there any other roles you'd still love to play? Millions. I'd like to play Churchill. What, the insurance dog? No! [Grabs for Nuts] Come 'ere! Bond? I'm a bit old for Bond now. Maybe I could play his dad. What are you on about, Ray? It's not too late... Don't get funny. I'll have you!

Thanks, Ray! What's the worst question you've ever been asked? "When you're away from home do you f**k other women?" What a stupid question! What's the matter with these people? The other one you get is, "What colour underpants are you wearing?" Good question! What colour underpants are you wearing? Brown. Just in case!

FREE AT LAST!

Mark has now
made a film
about his ordeal

It was in the dead of night that masked men stormed into the crude, run-down shack in rural Colombia. Cocking their AK-47s, they advanced on the two bleary-eyed travellers inside. They dragged 31-year-old Brit Mark Henderson to his feet, before slamming him down again onto his knees. As the barrel of the gun pressed against his head, his stomach lurched. This was it – this was where he would die.

Through the cloud of panic, he could hear his aggressors screaming threats to kill him on the spot. He believed them. All there was left to do was wait for the click, the flash, and instant death.

THE NIGHTMARE BEGINS

While travelling around South America, backpacker Mark was sleeping in a hut in the Lost City (a remote ruin in the mountains) when his trip took a terrifying turn.

A noise outside woke him and, after a short silence, the door burst open. Torchlight flashed across the walls.

"My immediate thought was that they were our guides, but it became clear very quickly that they weren't," he recalls. "I was panic stricken."

He was, after all, in lawless rural Colombia, the kidnap capital of the world.

"Paramilitares!" was one of the few words Mark recognised from the six heavily-armed figures who had charged the door.

"They were shouting at us, saying that two people had been killed on the path we'd walked on, and they were here to take us to safety."

It seemed implausible – Mark knew that protecting tourists wasn't a big concern for the paramilitaries – but with a gun to his back, he wasn't going to argue.

"They led us to the top of the Lost City and lined us up side by side along a ridge. I thought, 'My God, they're going to shoot us!'"

But the bullets never came.

KIDNAPPED IN COLOMBIA!

BRAVE BRIT RELIVES HOSTAGE ORDEAL

As dawn broke, the soldiers forced the eight travellers deep into the jungle.

"We marched from 5am to around eight o'clock at night, exhausted and terrified," says the Yorkshireman. "We were even further from civilisation, cut off from the world."

While they were marching, fellow Brit Matthew Scott made a desperate bid for freedom, flinging himself off a cliff top, before walking 12 days through the jungle to safety.

MIND GAMES

Just 24 hours after they'd been kidnapped, the group woke in the first of many hastily built camps, which amounted to little more than plastic sheets hung in trees.

"They were particularly wary of me," admits Mark, "because I'd been talking to Matt before he escaped. They didn't let me out of their sight."

As they pushed deeper into the jungle, Henderson spoke to his guard in Spanish.

"I wanted to humanise myself," he says. "I thought if they got to know me they'd be less likely to harm me."

He asked the guard why they were there.

"He turned on me, looked me in the eye and said, 'Plata o plomo,' meaning 'silver or lead' – money or a bullet."

In fact, the reasons for the

kidnap were complicated. It later became clear that their captors were members of the National Liberation Army (ELN), a ruthless guerrilla group. The tourists had been targeted and taken hostage in a bid to publicise the group's

grievances with the Colombian government.

For weeks, the group were marched further into the jungle. Every day, the bandits would tell them they were getting closer to their goal.

"They'd lie about where we were, and where we were going, to try to break our spirit."

At night, as they tried to sleep under plastic sheets in sub-zero temperatures, the mental torture continued.

"We'd hear them cocking their guns and moving around – we feared that any moment they would execute us. It was mind games."

As two more months passed, the hostages began to doubt they'd ever see their families again. They were exhausted and malnourished, living off scraps of rice and veg from local farmers.

"We'd walk all day then get a couple of hours sleep at night. And we were starving – sometimes we would get scraps of chicken from a farm, but it was unusual," explains Mark.

However, he recalls one highlight from the torturous ordeal. "One night, the guards caught a rat. It was a huge creature, enough to feed the group – probably the best thing I've ever tasted!"

FREEDOM AT LAST

At his lowest ebb, Henderson believed he would never make it out of the jungle, fearing he'd be a political prisoner until his captors deemed him of too little value to keep, or too great a value to release. He could see nothing in his future but starvation or execution. He finally broke down, confessing his fears to a fellow hostage.

"He put his arm around me and told me we'd soon be released. It was strange, as he'd been the most negative of all of us!"

Incredibly, just one hour later, despair turned to elation, as the guerrilla commander broke the news – they were to be released in just a few days. Henderson later learned that during his captivity, the Catholic Church had been negotiating their release.

And so, 101 days after he was snatched, and just three days before Christmas, Henderson stood on a high peak in the Sierra Nevada mountains and scanned the horizon for signs of the ultimate gift from above – the promised military helicopters. It seemed like an eternity but, a few minutes later, a low, distant whir grew into a roar as the choppers rose into view, and the freedom that had seemed impossible just a few days before became a reality. ■

TV'S HOTTEST REALITY STARS!

The Only Way Is Essex sisters host our TV babes round-up!

If you've turned on a TV at any time in the last year, you'll have seen *The Only Way Is Essex*. And if you've seen it, you'll know it's crammed full of beauties like Sam Faiers. When we heard Sam had an equally hot sister, Billie, joining the show, we couldn't believe our ears. Then when we saw her, we couldn't believe our eyes! And so, in true *Nuts* style, we got them both together in a sexy photo shoot and asked them to host a collection of stunning reality TV stars. Wahey! ➡

ON THE SHOW!

BILLIE!

SAM!

Hi Sam and Billie! In a recent episode of the show, Sam, you gave Amy's boobs a bit of a grope. Do you do that often?

Sam: All the time! She always goes to me, "Mmm, boobs!"

Have either of you groped any famous boobs?

Sam: I've groped other glamour girls' boobs, obviously... who else's have I groped? Billie's!

Billie: All the time.

Sam: They're five times the size of mine, so I grab them as a joke and say, "I wish I could have some like that!"

You've opened a clothes shop. Is this to grope ladies' boobs?

Sam: Men wouldn't get away with it. A man wouldn't be able to help a girl style herself anyway. Unless he was gay!

Straight guys can be very well dressed. Look at us!

Sam: But not helping a girl sort out her bra and stuff. He'll just get a boner or something!

Is the store open yet?

Sam: It opened on 23 April. We have to be wary of people just coming in because of the show – which is lovely because we love our fans, but at the end of the day, it's a business. But we're going to autograph the first 500 bags as a giveaway.

Billie, how come it took so long to get you on the show?

Billie: There wasn't much of a storyline, but now we've got the shop. I was working full time – I didn't want to give up my job.

Do you like similar blokes?

Sam: All my boyfriends have been different but what I want is a bit of a bad boy but generous and caring. That's my perfect boy, but I've never had one.

Billie: I go for boys who aren't flash but aren't scared to spend their money. No one that's tight.

What's the most expensive gift a man's ever bought you?

Sam: A Cartier watch!

Billie: A holiday to Dubai – that was four grand!

Would you date a northerner?

Sam: I'd date a Scouser.

When you go out do you act as each other's wing ladies?

Billie: No! We're too cool!

Sam: Maybe we'll give them a little look and make sure they

**'I'VE GROPED

GIRLS'
BOOBS!'
SAM**

send some champagne over...

Do you go out on the pull a lot?

Sam: We used to compete, see who could kiss the most boys. But we were under 18! I was really picky, so I'd always lose!

Do you share clothes?

Billie: That's what most of our arguments are about!

Sam: Billie's got a lot bigger boobs so she has to be careful!

What's the worst argument you've had?

Billie: Do you remember when you chucked my shoes out the car? She walked out the house in these new shoes of mine, and I went mad and she jumped in the car. I was shouting, "Get them off!" She was driving, and wound down the window and chucked them out!

Nice! Has either of you ever caught the other being rude?

Sam: I've seen her snogging but that's it. Billie never knocks, though, she just barges in. I never go in her room when she has someone round, but she's like "bang!" and just walks in. She's lucky I'm never up to anything too naughty! ➡

Vidic: 'The Double means everything!'

Hi Nemanja! How would it feel to be the captain who lifts the Premier League

trophy? An honour. This club has history. You can feel it every time you pull on the shirt. I love playing for United and I want to finish my career here, so to win as captain would be a dream.

Were you surprised to be given the captaincy? No. Happy? Yes! It was a huge responsibility because great players have become captain here. I think it's helped my game. I go out to do the best for my team but the armband makes you give more.

What kind of captain are you? I don't shout or scream. I lead by example. As captain you must earn your place. It's a responsibility, but not one that

troubles me. I continue playing as best I can and everything else falls into place.

You've got experienced heads around you like Giggs, Scholes and Ferdinand...

They act like captains. These players give 100 per cent every week over 50 or so games, over many years. You have to be impressed. They're an inspiration to everyone.

And youngsters like Rafael, Hernandez and Smalling are breaking through. There's great quality here. Chris has done very well for such a young man. To play the games he has at his age is excellent. Hernandez has been an incredible signing. He has a maturity and, of course, an eye for goals. His partnership with Rooney has been one of the highlights of the season.

And Rooney's a world-beater now! Anyone can appreciate what he brings to Manchester.

He's the best striker in the world. It's no accident we've played better as a team in the second half of the season - Wayne really upped his game. **How much did losing to Man City in the FA Cup hurt you?**

Losing in a semi-final always hurts, but to lose to our rivals made it worse. We didn't play well enough. The best teams respond positively to black days and this is a top team. **Will you respond by winning the Double?** This has been our priority and it's a definite possibility. We always get stronger as the season goes on. If I was able to achieve the Double as captain, I would be honoured beyond anything else in my career!

"These warm-up exercises are tough!"

HERNANDEZ!

Terry: 'We have a habit of proving critics wrong!'

Hi JT! How big is this match? Huge. It's incredible how the season's gone. A few games back, people were saying we were dead and buried, but now it's "game on". We've always had faith in ourselves when others haven't, so the goal is to win all our remaining games. **You encourage a siege mentality at Chelsea, with refs and critics apparently all lining up to undermine you. Is that a healthy thing to do?** The lads can only rely on themselves. Our mentality is about winning football matches but we've had bad luck in recent years. Success comes with the self-belief that you can do well even when things are against you. We have a bunch of lads who can succeed against all the odds. **Can you really beat United to the Premier League title?** We've shown we're at our best when our backs are against the wall. We've fought our way back into the title race, a tribute to our professionalism and desire. **Fernando Torres has received stick because of his price tag and lack of goals.**

How big a deal was it for him to break his duck against West Ham? Everyone's been talking about him not scoring and that can't be easy. But we always knew his quality – on form, he's one of the best strikers in the world – and we gave him our full support. It was great to see him get off the mark. Hopefully, he'll go from strength to strength. **If he'd hit the ground running, would Chelsea be in a better position?** It's not fair to pick on one person. He had his injury and the expectation was so high. Also, we succeed or fail as a team. Plus we've got some of the best strikers in Europe. **Is there rivalry between Torres and Didier Drogba?** Top players are like that. Even with the rivalry between Didier, Nando and Nicolas Anelka they get on well. **After winning the Double last season, Carlo Ancelotti looks like a man in trouble...** We've got a top coach who's won it all. The players are behind him and want to do well for him. Let's see where we are at the end of the season. Chelsea have a habit of proving critics wrong!

**CHAMPIONS LEAGUE
SECOND LEG SPECIAL!**

"So, Jose, you
wanna grab a little
light supper after
the game?"

Mourinho got it all wrong!

Last week's first leg match-up between Real Madrid and Barcelona was memorable for many things – Lionel Messi's wonder goal and the frankly shocking behaviour of a lot of the players to name a couple, but what I noticed above all was the frustration of the great Jose Mourinho as he realised that his tactics were all wrong. His gamble aimed at beating the

"Jose sent out a team at home with no strikers"

best team in the world over two legs backfired badly.

Mourinho's night simply went from bad to worse and, as soon as his midfield enforcer Pepe got his marching orders (harshly, in my opinion), Barca always looked like they were going to win the game.

Real Madrid fans will be reflecting on the fact that their manager sent out a team at home without any strikers whatsoever, and as a result they made no chances against the Catalan side, and never even looked like scoring. Mourinho, for some reason, went looking for a 0-0 result against the best

attacking side in the world and, sadly for him, his luck ran out.

He immediately launched an attack on Uefa after the game, accusing them of favouring Barcelona, but really that comes across as little more than sour grapes. The possession statistics showed just how dominant Pep Guardiola's side were, and after Mourinho had wound up the Barca coach in the days leading up to the game a lot of people will think he got his just deserts.

The game was played in an abysmal spirit, as now seems to be the norm in El Clasicos – a real shame when you consider

it's one of the world's most watched games. It was hardly an advert for the Champions League, or Spanish football.

Thankfully, we had the genius of Lionel Messi to make up for the pettiness. If there were any doubts that the little Argentine should now be regarded as the greatest player since Maradona and Pele, they were erased as he waltzed through the Madrid defence to make it 2-0.

The man is the best player on the planet by some distance, and I'd go so far as to say he's the best I've ever seen. Jose Mourinho could've done with him last week, that's for sure!

**BARCELONA VS
REAL MADRID**

Tuesday 3 May, 7.45pm,
Sky Sports 2/HD

Kammy says: "Real coach Jose Mourinho has to go for it at the Nou Camp, so I'd expect him to go with a 4-4-2, with Benzema and Adebayor up front, pushing Ronaldo out wide to try to trouble the home defence. The problem is that if you try to play attacking football against Barcelona, they can tear you to shreds at home. I also think Real might be affected by the way they fell apart in the home leg, so I can't see anything other than Barcelona making it to Wembley for the final."

MAN UNITED VS SCHALKE

Wednesday 4 May,
7.45pm, ITV1/HD

Kammy says: "The first leg at Schalke was the most one-sided match I've seen for a long time. The Germans seemed terrified and didn't go for it at all. But this leg will be different – Schalke will have no choice but to attack. But once United score, I think the tie's over. Rooney and Hernandez are now one of the best strike partnerships in Europe, and if one doesn't score, the other will. So, for me, it's a United vs Barca final – as I predicted in Nuts when the quarter-final draw was made!"

Nuts GAMBLING MASTERCLASS!

We poured this advice into a *Nuts* man's head and sent him online to try to win!

Deal or No Deal top tips!

Deal or No Deal is a game enjoyed just by those who believe in a "system", right? Well, the TV game show might be, but the multi-line slot isn't!

For as little as 5p a go, you can win big – and if you're willing to play on all lines, you could win a progressive jackpot. In fact, one winner walked off with £1.96m!

And best of all? You can win big money in the comfort of your own home!

HOW TO PLAY

- The aim is to get winning symbol combinations from a spin of the reels, with the ultimate aim being to win the progressive jackpot.
- You can gamble up to 20p on each of the 20 pay lines. That's up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win cash.

THE NUMBER LINES

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

BONUS GAME

If you're betting on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins. This is much like the Deal Or No Deal TV show, only the big progressive jackpot is at stake here. Don't be too greedy or, like us, you could end up with £8 instead of £100!

He won big!

David R won £58,236 on Deal or No Deal!*

What was your first car? An A112 Fiat – it was a very small car, and that was many, many years ago.

What's the last music that you bought? I love Italian artists, the last I bought was [singer/songwriter] Renato Zero.

What's your favourite television programme?

Coronation Street.

If someone made a film of your life, which actor would you like to play you? I love James Bond and, if it was possible, I would like it to be 007. Any actor who played 007 would be good. [Nuts is pretty sure we have Daniel Craig's phone number somewhere...]

If you had to sing a song at karaoke what would it be?

It would have to be some Italian music!

What's the nicest place you have ever visited? I have visited many nice places. In the world, there are so many nice places but if I have to pick one I would say Italy.

Have you ever been mistaken for somebody else who's also famous? Yes. When I was playing people used to mistake me for Milan's Paolo Maldini, because our names are alike and we both had long hair!

If you could have dinner with any three people, dead or alive, who would they be? One would be my president at UC Sampdoria, Paolo Mantovani, then the Pope and Sheikh Mansour.

CONFESSION OF THE WEEK!

'I came on the bus'

Getting the bus to work most days, I discovered that wearing a tight thong gave my clit a little rub as we bumped along the London streets. One morning, feeling particularly horny after a night with my hot boyfriend, I put on my tiniest thong and pulled it up really tight. That day, I wanted the vibrations from the bus to make me come – using my fingers to aid the process, if I had to! The bus wasn't full and I had a seat at the back over the wheel. After a few stops, a prim-looking businesswoman got on next to me but I was so far gone that I couldn't stop myself, so I used a newspaper to hide what I was doing! As I felt myself come, it was almost impossible to stay quiet!

Amanda, East London

'He pleased me deeply'

I've just returned from my parents' place in Spain. It's quite remote and the village was quiet. One day, I went down

to the local beach, which was virtually deserted. It was piping hot so I stripped down to my bikini bottoms, applied some lotion and enjoyed the sunshine. A guy kept running up and down the beach and we made

eye contact. After a while he ran up and started chatting, eyes on my brown boobs. I asked him if he'd rub cream onto my back – a cheesy line, but it worked! His hands rubbed my shoulders then moved up, rubbing the back of my neck. I was turned on, so when his hands moved lower, I wiggled and parted my legs. He got the hint and after massaging my bum, moved his hand between my thighs. After rubbing my clit through my swimsuit, he managed to get his fingers inside and pleased me deeply. I came after about a minute and had to bury my head in my towel to hide my moans!

Kate, by email

'He licked me slowly in circles'

I love going commando – it makes me feel sexy wearing a short skirt and feeling the breeze around my bum. After some sexy dancing one night in a club, I pulled a hot guy and we spent most of the night snogging. He invited me back to his and was surprised to find I was completely shaved as his hands wandered. He sunk to his knees quickly as I leant against his hallway wall. Lifting one leg, he started licking me slowly in circles. His pressure and speed increased, driving me wild. He then pushed two fingers inside me and soon I felt the flush of orgasm through me. My legs turned to jelly so he picked me up and carried me to his bed.

He proceeded to give me the best sex of my life and the next morning, I wanted more! Then, on the way home, the wind blew my skirt up and I accidentally flashed an old bloke!

Natasha, Bristol

'I was in filthy talk overdrive'

My boyfriend and I went to Southend by train last week. It was early when we left and the train was almost empty. After 20 minutes, I was bored and starting kissing my fella's neck. After a while I was gagging for it and decided to have some fun. I started to run my fingers up and down his thigh and whisper what I wanted to do to him. I was soon in filthy talk overdrive and he was excited, so I put his coat over his crotch, unzipped his jeans and massaged his balls and penis. He started groaning in my ear, telling me he was about to come. I didn't want him to have messy jeans, so checking no one could see, I finished him off with my mouth!

Sal, Romford

SECTION 8: PREJUDICE XBOX LIVE

XBOX LIVE

Fair enough, it may be a download-only shooter, but it's still well worth occupying a slice of your bandwidth. Once you've piled through the OK but slightly clichéd single player mode you get to the meat – a totally

fresh and challenging online bunfight that's not afraid to take a few risks along the way. What's to like? Well, there's the sprinting, jetpacks and its impressively broad customisation. And it's all available for the price of *Call Of Duty* maps. Cool! ★★★★★

PLANTS VS ZOMBIES DS NINTENDO DS

One of the most addictive tower defence games lands on the DS. Stick plants in the ground to kill zombies. Silly and brilliant. No 3D, though. ★★★★★

CABELA'S DANGEROUS HUNTS 2011 PS3, WII, XBOX 360

Based on a US huntin'/shootin'/fishin' gear brand. Comes with a rifle so you can shoot critters like a backwoodsman. You bring the inbreeding! ★★★

APPS!

ASTON MARTIN EXPLORE IPHONE, IPOD TOUCH, IPAD

You may never get to own an Aston Martin, but you can get a feel for it with news, videos and even sounds of the engines. Classy, just like the car itself. ★★★★★

THE GREEN HORNET DVD/BLU-RAY CERT 12

Superhero caper from the bloke who brought us *Superbad*, starring Seth Rogen as a newspaper tycoon who teams up with a pal to become masked crime-

fighter the Green Hornet. Filled with gags, and loads of explosions, it's hardly a masterpiece, but it doesn't try to be. Christoph Waltz plays the bad guy and Cameron Diaz provides the eye candy. Enjoyable enough, though a little OTT for its own good. ★★★★★

ROCK & CHIPS DVD & BLU-RAY CERT 12

Inbetween James Buckley's the young Del Boy in this box set of the decent (but not hilarious) *Only Fools & Horses* prequel. ★★★★★

RBS SIX NATIONS 2011 DVD CERT E

What better way to whet the appetite for this year's World Cup than footage of England's first Six Nations win since 2003? ★★★★★

ARCHER: SEASON ONE DVD CERT 15

Agreeably rude and funny animation about a big-headed, jet-setting secret agent with a domineering mum. Decent! ★★★★★

FLEET FOXES HELPLESSNESS BLUES

Album of the year bar Elbow, the Fleets are firm *Nuts* faves who make us all melancholy with their hymnal folk. Yes, folk! ★★★★★

MOVIES!

13 Assassins' final chopsocky showdown lasts 45 minutes!

13 ASSASSINS CERT 15

Awesome samurai mental-ness from the director of torture porn psycho classic *Ichi The Killer*. Inspired by true events in 19th-century Japan, where 13 hitmen with nifty sword skills were hired to uphold honour

and assassinate an evil Lord. But with 200 soldiers guarding their prey, it's a suicide mission, so they booby trap a small town, triggering a wave of carnage. Think of it as like *The Expendables* but with blades. Righteous! ★★★★★

INSIDIOUS CERT 12A

The makers of *Paranormal Activity* and *Saw*'s tale of a haunted boy and his Dad's battle to save him from spirits. ★★★★★

HANNA CERT 12A

Saorise Ronan (*Lovely Bones*) is the assassin trained by her dad (Eric Bana) who kicks ass across Europe in a stylish thriller. ★★★★★
